# Commercial Vehicles

**Safety Inspection:** All Commercial Vehicles require an annual safety inspection.

**Safety Inspections are not a pre-requisite for registration. However, the certificates are required to be always kept in the vehicle.**

**Emissions:** Vehicles with model years less than six years old need an emissions inspection once every two years. Vehicles in this category that have even-numbered model years must have emissions inspections in even-numbered years, and vehicles that have odd-numbered model years must have emissions inspections in odd-numbered years. Vehicles six years old & older require emissions every year. Emissions for gas powered vehicles are due in Cache, Davis, Salt Lake, Utah, and Weber counties.

Vehicle Year	Emissions
2024 - 2023	Not Required
2022	Required
2021	Not Required
2020	Required
2019	Not Required
2018 - 1968	Required
1967 & Older	Not Required
